Prepare! Don't be Left Out

Come to 180 Weekend this year with the theme already working in your heart.

Here are some suggestions:

Pray - Begin to pray for the leaders, the speakers, the band, and your group. Honestly think through what you are hoping God will do in your life this weekend.

Do - Prep for the weekend by loving your family. Clean your room before you go. Have your bags packed Thursday, not Friday. Thank whoever it was that paid for your 180 Weekend Registration (if it was you, thank yourself!)

Invite - Even though we have limited space, invite someone to join us -this is going to be an amazing weekend. *

***Please understand that late registrants are not guaranteed a t-shirt.**

Be There - Commit to yourself to give 100% of your attention and effort to the study that our speakers will bring and the discussion that our small group leaders will bring. Each of these people have spent many hours praying for you and preparing for this moment. Honor them and honor God by spending quality time with them.
